Counte Mack Will Stick.

After all, the fears that Connie Mack was going to break up his million-dollar nfield are groundless. It is announced that Herman Bronkle, drafted by the Athletics from Toledo, was secured by Mack for Davis and that he will be turnsed over to Cleveland, from which club he went to the Toledo team. This Mick-ian-Davis friendship should not be al-lowed to interfere with each team play-ing its own game next year; there is only one pennant to be fought for.

turn, for the play-off of the tie in the scholastic football series will be staged on Georgetown Field this afternoon, the battle being started by Referee Gans promptly at 2:6 p. m., with Technical High facing the crack Central eleven.

The Manual Trainers had their final workout yesterday at Potomac Park, and when the team was seen returning from practice it was 6 clock, so the boys had a great day of final instructions for the big game to-day.

Coach Thomas and the several well-known football stars who have been assisting the Central boss, worked the O Streeters yesterday until it was too dark to see the ball, and that the wearers of the Blue and White will go into the battle it to fight to the last second of play, and confident of victory, is an assured fact. The teams are about evenly matched, and a scoreless the was the result of their last game, some freak play, a blocked punt or a fumble seems likely to decide the winner. On form, the O Streeters should win, but with "Country" Morris and Eckendorf in the Blacksmiths' back field the Marcon and Gray eleven will be able to put up a mighty battle. "Mooch" Peake is slated to start the game in the back field for Technical, but just what position is hard to say.

Prits Reuter is once more in condition and will be seen in left half back, with Van Dyne and Hamilton as his running mates, while King will play left tackle. Should Reuter be injured, "Murph" will be shitted to left half and Zappone will go into the tackle position.

Coach Thomas, Logan Cunningham, and Phil King are through with the Central team now, and the boys will receive their final instructions from Jim Sprigman, the famous Central and Georgetown baseball coach just before the game. What "Sprig" will, tell the lads will never be learned, but it is safe to say that they will receive a good talking to, and will go into the game ready to put up the battle of their lives.

Both elevens are ready for the game, the Techpical quad being in tiptop shape, while the Central aggregation will go into the game with every man in perfect condition. Reuter is once more able to put up his usual classy game. While the same will not decide the championship officially, the winners will be looked upon as the holders of the title.

Aside from the football standpoint, which is sure to be of the best, the Marine Band will be on hand, and that the proceeds of the game go to the Boy Scouts and the Flayground Association.

The game will be started promptly at 2:45, so as to give the Georgetown University eleven a chance to get in some real work for the big game with Lehigh Thanksgiving.
